

PSHE Learning Pathway

We deliver *Personal, Social, Health Education* using **Jigsaw** – the mindful approach to PSHE'. Through using Jigsaw our children acquire the knowledge, understanding and skills they need to manage their lives now and in the future. It develops the qualities and attributes children need to thrive as individuals, family members, members of society, and the global community. Our dedicated staff model and promote kindness in a safe, open and positive learning environment based on trusting relationships which encourages children to talk confidently, honestly and respectfully about a wide range of personal, social and health topics. We aim to ensure all information is relevant and realistic so that our children are provided with the best possible preparation for life. Jigsaw is taught from Little Learners Preschool – Year 6.
