Supporting Learning at Home

The Reception learning journey is a very exciting one and it can be made even more magic with your support at home. We ask that you please help children engage in the following:

Weekly engagement with the phonics virtual classroom videos that will be shared on Tapestry and Weduc.

Daily reading, whether this is you sharing a story with your child or them reading their phonics book to you, dependent on where they are on their reading journey. Please do record this in reading records.
