

BERROW PRIMARY

Church Academy

30/01/2026

This week has been another cold, wet and windy week but as usual the children have continued to demonstrate wonderful attitudes to learning. The Spring term is often when we see everyone make accelerated progress. We are looking forward to what this term will bring as our children continue to shine. **Miss Bradley**

Eco Warriors

We are thrilled to announce the launch of our new **Eco Club**, a child-led initiative dedicated to making our school a greener and more sustainable place. Our team of young **Eco-Warriors** will meet regularly to tackle important environmental challenges, such as **reducing single-use plastics**, monitoring energy waste, and improving our school grounds to support local wildlife. We look forward to working together as a community to achieve our first Eco-Schools Green Flag Award.

Mastering Number Workshop

We would like to thank all our Reception/KS1 families who attended our 'Mastering Number' workshop this week. We hope you found it useful and can put methods into practice at home. If you could not join us and would like to know more, please ask your child's class teacher and they will be happy to help you.

E-safety Day (Tuesday 10th Feb)

With E-safety day coming soon, we would like to launch our first Spring house competition. We have asked children to design an E-Safety poster. Your child should have brought home a poster template today. Final posters to be handed in by Wednesday 11th February. We will be displaying posters around our school to remind children how to stay safe online.

Children's Mental Health (Week 9th Feb-15th Feb)

In support of children's mental health week, we have a second house competition running. Children will be asked to design a new positive postcard for us to use across school. Next week, they will bring home a template to complete their design. These need to be returned by Thursday 12th February for judging and the winner will be announced in Celebration Worship on 27th February. Children will also take part in several PSHE related activities during the week.

Fidget Toys

We have had an increase in fidget toys being brought in from home since Christmas. Unfortunately, things get broken or lost through the school day and this makes everyone sad. Moving forward, please can all children keep their fidget toys safe at home. Every class has a regulation station that contains a wide range of fidget toys for all pupils to access should they need them. Some children have specific sensory items named on a care plan and this is arranged through myself, the family and the class team. Should you feel your child has a specific need that has not already been discussed, please speak to your child's class teacher. Thank you for your support.

Nut Free School

A polite reminder we are a nut free school. Please do not send your child in with nut products for break time snacks or lunch boxes. We have both staff and children with severe allergies. This includes Nutella sandwiches; hazelnut wraps and pesto. Thank you.

Little Learners @ Berrow - LIMITED SPACES

Fully funded spaces are now limited at our wonderful Little Learners preschool. If you would like to know more, please call or pop and see one of the team who will be able to help you. [Will you be looking for a preschool place in September or January 2027?](#) Be quick to register as spaces are filling up!

ParentPay *Be Aware!"

When making payments, please do not use the "one-click" option. This will put your payment into pending and can take up to ten working days to leave your account and come to us. Do not save your bank details to your ParentPay account. We cannot process the item purchased until the payment goes from pending to paid and it may impact them attending a trip. Please can we make sure payments are made before the deadline given for the trips this makes consent and organisation much easier. Thank you.

Parking, Driving and Drop off

Please be mindful of our neighbours when you are collecting and dropping off your children. Please drive safely and not mount pavements and cut corners into the car park. Check you are not blocking driveways and please **do not** park on the yellow lines or across the school entrance even if you are only dropping off. Staff and visitors arrive at the same time as children, and we would like everyone to be safe. Thank you for understanding.

School Uniform

A polite reminder that our school colours are navy, white, grey and black. This includes socks and hair accessories. **Please remember PE hoodies should only be worn on PE days.** Please help us to uphold our high expectations of uniform by reminding your children. Thank you.

Attendance

Please can you ensure you are reporting your child's absences before the start of the day. If your child has not arrived by 9.15am, you will receive a phone call from Mrs Robins our attendance officer.

Our values

School Value this term is **Trust**.

Dates for the Diary
