

BERROW PRIMARY Church Academy

16/01/2026

Welcome back to Term 3! It has been a joy to see everyone returning to school with such big smiles and a readiness to learn. This is a pivotal time in the school year where we see our children build on the foundations laid in the first two terms. Our focus over the coming weeks remains on fostering a love of learning, curiosity and resilience in every classroom. Thank you for your ongoing support and partnership in making our school such a special place.

Nurture UK

We delighted to share some wonderful news: our school has officially been granted the **National Nurturing Schools Award** by NurtureUk. This award recognises our commitment to the social, emotional, and mental health of every child. It celebrates the fact that at our school, we understand that 'learning happens when children feel safe and valued.' I want to thank our dedicated staff for their hard work in fostering such a supportive and nurturing environment, and of course, our children, families and members of our community, who make our school a kind and welcoming place every single day. Please read our report.

Fidget Toys

We have had an increase in fidget toys being brought in from home since Christmas. Unfortunately, things get broken or lost through the school day and this makes everyone sad. Moving forward, please can all children keep their fidget toys safe at home. Every class has a regulation station that contains a wide range of fidget toys for all pupils to access should they need them. Some children have specific sensory items named on a care plan and this is arranged through myself, the family and the class team. Should you feel your child has a specific need that has not already been discussed, please speak to your class teacher. Thank you for your support.

Mastering Number Workshop

We would like to invite the families of year 1 & 2 to our Mastering Number workshop to see how we teach and how you can support your children further at home. Please join us if you can on Thursday 29th January at 2.30pm. Please come via the main office entrance. The other gates will not be open. If you cannot join us, please speak with your child's class teacher if you would like the information, they will be more than happy to help.

After school clubs/ Wrap around care

We have had a large uptake of our extra curricular clubs for Term 3. Thank you to everyone who has signed up. If you didn't get a space this term, please look out for term 4's clubs that will go live to book at the end of term 3. Please can we remind families children are to be collected promptly at 4.15pm. If your child is in our wrap around care Little Learners, please ensure you collect promptly at 4.15pm or 5pm which ever session is booked. There is no guarantee we have spaces available to leave your child longer or to book them on last minute. Thank you for your support.

Little Learners @ Berrow - LIMITED SPACES

Fully funded spaces are now limited at our wonderful Little Learners preschool. If you would like to know more, please call or pop and see one of the team who will be able to help you. [Will you be looking for a preschool place in September or January 2027?](#) Be quick to register as spaces are filling up!

ParentPay *Be Aware!"

When making payments, please do not use the "one-click" option. This will put your payment into pending and can take up to ten working days to leave your account and come to us. Do not save your bank details to your ParentPay account. We cannot process the item purchased until the payment goes from pending to paid and it may impact them attending a trip. Please can we make sure payments are made before the deadline given for the trips this makes consent and organisation much easier. Thank you.

Parking and Drop off

Please be mindful of our neighbours when you are collecting and dropping off your children. Check you are not blocking driveways and please **do not** park on the yellow lines or across the school entrance even if you are only dropping off. Staff and visitors arrive at the same time as children, and we would like everyone to be safe. Thank you for understanding.
