Learning Review Meetings

We would like all our families and children to attend our parent review meetings. This will give you the opportunity to discuss your child's learning and progress. Please book a slot to meet with your child's class teacher. Learning review meetings will take place the afternoons/ evenings of Tuesday 10th and Thursday 12th October. Keep your eyes peeled for the information how to book. This information will be sent via Weduc.

Harvest Collection

Ahead of our harvest service celebration, we are holding a food collection in aid of our local foodbank. Children are welcome to bring items such as tins, pasta, rice etc. Thank you in advance for your generosity.

Our Harvest service will take place on Tuesday 2nd October at St Mary's Church 9.30 am all our families are welcome to join us alongside Years 1 – 6. Reception will be celebrating harvest in school throughout the school day alongside our pre school children. We are still looking for some volunteers if you can help please contact the office crew as soon as possible.

Communication

It's great to see most of our families are now signed up to Weduc if you have any problems or questions with this please contact the office crew.

Dinners seem to have been a big hit with the children and the ordering process using Aspens Select is working well. Please contact the office if you need any assistance with this process. Take a look at our Census Menu (advertised on Weduc) for Thursday 5th October available to book on Aspens now.

Little Learners

Our learning focus until the end of the term is healthy eating and personal hygiene. We have already started to do activities to promote the importance of brushing our teeth and picked some vegetables from the school vegetable patch to make some soup with the children. From next week, we will be sending each of the children home with their own reading record book and a book of their choice to keep at home for a week. This is a great opportunity to enjoy a book with your child and promote reading for pleasure.

School Uniform

Thank you to everyone who has purchased our school uniform for this year. Remember children are also able to wear our old uniform until such times you need to replace. Please remember in line with our new uniform polo shirts are now white not blue. KS1 bring in their PE kits to leave on their pegs. KS2 wear PE kits in only on their specific PE day which has been communicated to all families via letter. If you are unsure, please speak to your child's class teacher.

Extra Curricular Clubs

It's lovely to see so many children signed up to our extra curricular clubs. Please see offers on Weduc and book your child's spaces if they are interested and for external run clubs such as Girls football and Multisport please follow the links on the news feed and book directly with the organisation. To clarify, the cost of forest school is £5 for 10 weeks.

Parking

Please can we ask parents to be mindful when parking on Rugosa drive and surrounding areas. Please ensure you are not blocking driveways and access to residents houses. We do have our carpark behind the school which all our families are welcome to use.

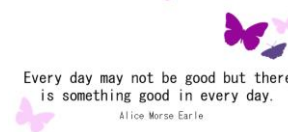

Our values

School Value this term is **thankfulness**.

Always be thankful
Matthew 7:12

*Each day is a gift from God,
what are
you thankful for today?*

Every day may not be good but there
is something good in every day.
Alice Morse Earle

*I am thankful for our
teachers making our school a family,'
said Alicia in Year 5*
